- In the case of **mobility between Programme and Partner Countries**, this agreement must be always signed by the staff member, the Programme Country HEI as beneficiary and the Partner Country HEI as sending or receiving organisation. In case of mobility from Partner Country HEIs to Programme Country enterprises the last box should be duplicated to include the signature of the Programme Country HEI (the beneficiary) and the receiving organisation (four signatures in total).

<sup>v</sup> **Country code:** ISO 3166-2 country codes available at: <https://www.iso.org/obp/ui/#search>.

<sup>vi</sup> Any Programme Country enterprise or, more generally, any public or private organisation active in the labour market or in the fields of education, training and youth (training of staff members from Programme Country HEIs in Partner Country non-academic partners is not eligible).

<sup>vii</sup> Circulating papers with original signatures is not compulsory. Scanned copies of signatures or electronic signatures may be accepted, depending on the national legislation of the country of the sending institution (in the case of mobility with Partner Countries: the national legislation of the Programme Country). Certificates of attendance can be provided electronically or through any other means accessible to the staff member and the sending institution.
